WHITE HOUSE: FOX-NEWS HOST TUCKER CARLSON '*NOT CREDIBLE*'

TUCKER CARLSON NOT CREDIBLE — WHITE HOUSE

- Made a number of claims about January 6th, 2021
- based on ~40,000 h of previously unseen security footage
- cherry-picked 45 minutes of footage from 40000h
- FOX News's attorneys and executives agree with the White House and leading GOP and Democrat lawmakers that
Tucker Carlson is not credible.
- claimed:
 - *media outlets exaggerated the violence during the riots*
 - *though a minority committed violence, most were sightseers*
 - the government could've instigated the **riots**
- **even though** he knew that Trump's claims of Election Fraud were fabrications, he and other FOX-hosts — like Sean Hannity — continued to spread the lies and manipulate the audience.

Two thin orange lines intersect on the left side of the slide. One line is diagonal, sloping downwards from left to right. The other line is steeper, also sloping downwards from left to right, crossing the first line.
